

## Resident Spotlight

**Char**

This month's Resident Spotlight goes to or very own Char! Char has lived at The Village now for 14 months with her two adorable dogs Grace-Anne and Kallie. Fun facts about Char: she grew up in Hawaii, she has three very smart and talented children who she talks to often, and she worked in the medical field for 15 years. Char's favorite job was her time as a social worker right before retiring. She is grateful to have helped keep children in her care safe. When you see Char in The Village commons, make sure to say hello!

## Team Member Spotlight

**Tabetha, Wellness Nurse**

Tabetha has been a member of The Village family since this April. Before joining us, she worked as a Wellness Nurse at another community in the Seattle area. In her spare time, Tabetha enjoys antiques, doing crafts, spending time with friends and family, and flipping furniture. Tabetha is a people person and credits our residents and staff as being the glue that keeps her coming back every day.

### Bingo All the Way:

It was a packed house for Bingo this day. Many of our friends and neighbors, such as Lynn, Karen, and Fuji, tried their luck at winning a festive goodie from our biggest prize batch yet!

**Festive Fusing:** Last month, we tried our hand at glass fusing Christmas trees with Lori Blevins. A fun time was had by all who attended including: Karen, Sandy, Marge, Judy, and Tina.
