

## Resident Spotlight

**Ingrid**

Ingrid was born in Anchorage, Alaska, and moved to Washington in 1964. She and her husband spent 10 years as long-haul drivers, sharing the road and the adventure together. Animals have always been Ingrid's passion, and supporting animal charities remains deeply important to her. She lovingly welcomes our newest furry family members by creating adorable goodie bags and hanging them on residents' doors. Ingrid chose the Village because it was a place where pets are truly welcomed—and she has been enriching our community ever since.

## Team Member Spotlight

## A Note from the Executive Director

**Dawn Bellamy,**  
Executive Director

As March arrives, we welcome the gentle shift toward spring. The longer days and early blooms always bring a sense of renewal, and it's a wonderful reminder of the beauty that comes with each new season. Here at The Village, we're embracing that spirit of growth and fresh beginnings.

Our team is preparing a variety of spring activities for residents to enjoy, creative projects, outdoor moments as the weather allows, and activities that encourage connection and joy. You'll also notice touches of spring décor appearing throughout our community, adding brightness and warmth to our shared spaces.

One of the things I value most about The Village is the way residents and staff create a true sense of belonging. This month, we're continuing to focus on:

- Encouraging meaningful social engagement
- Supporting wellness through gentle movement and fresh air opportunities
- Offering resident-driven activities based on your interests and feedback

Your voices help shape our community, and we're grateful for your continued participation and ideas.
