

Resident Spotlight

Marcella

Marcella is a retired Electronics Technician who shared a wonderful life with her husband, Keith. The two were married for 62 years and raised one daughter and two sons. Their family has since grown to include 12 grandchildren and 3 great-grandchildren. Originally from South Dakota, Marcella and Keith eventually made their way to the Pacific Northwest. Along the way, Marcella developed a lifelong passion for quilting. Our residents are enjoying the four beautiful quilts she generously donated for our bus rides, movie theater, and entertainment spaces. Marcella stays active and engaged every day. She's in the gym each morning for her workouts and is a regular at cards and bingo, activities she approaches with the same enthusiasm she brings to everything she does. We're grateful to have Marcella as part of our community.

A Note from the Executive Director

Dawn Bellamy, Executive Director

As we welcome May at The Village Senior Living, I'm reminded how much this season reflects the spirit of our community, brighter days, renewed energy, and moments of connection that make this place feel like home. With warmer weather ahead, you'll see more opportunities to enjoy fresh air, gardening, and time outdoors. These small seasonal shifts often bring a lift in mood, and it's wonderful to see residents and staff embracing that renewed sense of possibility.

May also gives us a chance to honor the caregivers, mothers, and nurturers who shape our lives. I'm grateful for the kindness, patience, and dedication our team shows every day, and for the way our residents continue to inspire us with their stories, humor, and resilience. Together, we create a community where people feel supported, valued, and connected.

To our residents and families, thank you for the trust you place in us. To our staff, your commitment continues to inspire me. Here's to a month filled with sunshine and meaningful moments.

HAPPY Birthday
